STYLE. SERVICE. SELECTION.

By **Tonya Lambert**

Inside this sought-after Winnipeg boutique, you will find a stunning array of beautifully crafted furniture from the very best brands in the business, including Natuzzi Italia, American Leather, Palliser, Stylus Sofas, Huppe and Trica. In 2009, when owners Carolin and Ken Burke and Maribeth and Non Marana opened Bella Moda Home Furnishings, they used their 50+ years of combined industry experience to select only the most stylish, comfortable and well-made furniture.

Over 10,000 sq ft, Bella Moda is large enough to offer an enviable selection of exquisite furniture for every room of the house, yet small enough to offer truly personalized service. Begin your Bella Moda experience with a warm welcome and a cup of coffee. Be inspired with new ideas as you explore room after room of their tastefully decorated showroom. Friendly and knowledgeable staff, including an accredited interior designer, are available to answer questions and offer advice. Their interior designer will even come to your home to provide further guidance.

Exclusive to Bella Moda in Manitoba is the Natuzzi Italia brand, known for both its design and detailing. In fact, Architectural Digest named Natuzzi the Most Comfortable Furniture Line.

Whether you're wandering through the American Leather Gallery or sinking into the elegant simplicity of the Natuzzi Italia Gallery, the luxurious leather and upholstered options are the ultimate in both comfort and quality. Then try out the American Leather Comfort Sleeper to get a taste of how restful sleep really feels.

Their name says it all. Bella Moda. Beautiful Style. ■
